CV Issue 8

IT'S NOT THE PRICE THAT COUNTS IT'S THE COST...

TEXTAR®

BRAKE TECHNOLOGY

Downtime can be costly,
minimising it increases profits

If vehicle brake pads have to be changed
at every six weekly check then you
(or your customers) are losing
valuable time & money

Textar pads are proven to last longer than many cheaper pads on the market,
in some cases Textar give almost twice the distance; **buy cheap, buy twice**

CV SMART CHOICE *news*

Considering new garage equipment?

Investing in any large kit, from ATF testing (see issue 7) to workshop heating (see p15) is a big decision and one that needs to pay its way for your business. Whatever your garage equipment needs, we can help!

Call your local IFA branch today to explore the right kit to maximise your profitability. We supply a full range of garage equipment - mobile column, hybrid, scissor & 4 post lifts; pit packages; brake testers; full ATFs; tyre changers & wheel balancers; air conditioning servicing equipment; diagnostics; workshop heating; compressors, workshop presses, welding equipment, oil distribution centres; workshop & vehicle cleaning - the list is endless!

Excellent Reasons to Consider Leasing Capital Kit:

Let equipment pay for itself: Earn from equipment as you pay for it! Improves cashflow compared to paying up front in full, then recouping the cost over months/years

100% Tax Allowable: Lease rentals are 100% allowable against your pre-tax profits - offset the total cost during the lease period, deducting payments as a trading expense

Access latest technology today: Leasing funds latest diagnostic & workshop equipment to enable you to win lucrative new business & fund the growth of your business

Talk to your local IFA Member to find out more

Enjoying the summer? Watch out - winter consumable needs are creeping up on us

Don't get caught out this winter! Did you know we stock a full range of winter must-have consumables? We have some serious offers on:

- Four grades of Antifreeze & Coolants (5L, 25L, 205L)
- TFR (25L)
- Screen Wash (5L, 25L, 205L)
- Deionised Water (5L, 25L)

Call your local IFA Member today to find out how you can benefit from our offers and services this winter.

VEHICLE SPECIFIC TRUCK AIR TANKS

- Premium quality components
- Powder Coated internally & externally
- Manufactured to OE specifications (All tanks conform to EEC Directive EN286.2 1992)

DAF | IVECO | MAN | MERCEDES | RENAULT | SCANIA | VOLVO

Axles

To maintain the peak performance and efficiency of your SAF axles, to extend their longevity, ensure safe operation and keep whole-life cost to a minimum; fit the same as they fit in the factory - fit OE replacement parts.

How to find your SAF axle serial number information.

Forward the version, serial and ident information from the ID plate on your SAF axles to your local IFA Member to receive your parts information, operating & service manual and a parts quote.

The identification plate contains the serial number, the identification number and the axle type required to identify SAF parts - see photo on the left. The serial number is also stamped into the offside stub end.

CARGO Range

Cargo HD (Heavy Duty)

- Power for cranking requirements & cyclic capability of smaller CV applications
- Supports standard electrical equipment installed in modern low spec CV

Cargo SHD (Super Heavy Duty)

- Greater power for cranking requirements & cyclic capability of larger CV applications
- Supports electrical equipment in higher spec CV (e.g. sleeper cabs with TVs, satellites, microwaves, nightlights, fridges etc)

Up to 30% more cranking power than Cargo HD

Cargo Deep Cycle

- Constant shift urban use vehicles, off-road, PSV & emergency
- Cranking power, higher cycling ability & vibration resistance cope with larger capacity CV engines
- Support high vehicle spec levels & added electrical loads (e.g. tail lifts, refrigeration units, loading mechanisms, etc)
- Glass mat separators - ultimate deep cycle capabilities
- Vibrolock plate fixing - superior vibration resistance

Improved vibration resistance
Greater deep cycle capability compared to Cargo HD & SHD

Remanufactured Calipers

KNORR-BREMSE Genuine Remanufactured Program introduces:

SN6 & SK7 Trailer Brake Calipers

KNORR-BREMSE' expertise in original equipment parts manufacturing really counts in remanufacturing:

- We know the precise technical requirements for each individual part, enabling us to carry out the rigorous testing needed to ensure premium quality for second-life products
- Remanufactured calipers are assembled on the same production lines (in Aldersbach, Germany) as those used to assemble new calipers
- Not all components can be re-used - these and any that are out of specification are replaced by new original parts with precise specifications (often known only to Knorr-Bremse)

SN6 & SK7 applications include:

Rationalised Caliper	Reman Caliper	Angle	Applications
K013173 - SN6570	K132664X50	+5°	BPW/Mercedes/SAF
K013174 - SN6580	K132665X50	+5°	BPW/Mercedes/SAF
K012633 - SK7042	K132662X50	0°	BPW/Mercedes/SAF/Schmitz
K012634 - SK7052	K132663X50	0°	BPW/Mercedes/SAF/Schmitz

Contact your local IFA Member for genuine KNORR-BREMSE parts

Exclusive Prize Draw

Each Remanufactured Caliper purchased from your local IFA Member between 1st Aug & 31st Oct '16 gains you an entry into our PRIZE DRAW to WIN a 1:14 Scale RC Racing Truck (worth £120!)*

*Terms & Conditions apply. See below. Image for illustrative purposes only. Actual design may vary

KNORR-BREMSE Model RC Racing Truck Prize Draw Terms & Conditions: Every Genuine KNORR-BREMSE Remanufactured Brake Caliper purchased between 01.08.16 and 31.10.16 will gain one entry into the Prize Draw. There is one prize of a 1:14 Scale Model Radio Controlled Racing Truck (worth £120) which will be awarded to the first entry drawn from all the entries. Returned products do not qualify. The draw will take place on 10.11.16. Account holders only; to open an account contact your local IFA CV Member's branch. Accounts which are over terms on 10.11.16 do not qualify for the prize draw. The prize will be delivered to the normal delivery address of the winning customer by 01.12.16. The winner may be required to participate in limited post-draw publicity. No correspondence can be entered into. The promoter is KNORR-BREMSE Systems for Commercial Vehicles Ltd, Century House, Folly Brook Road, Emerald Park East, Emersons Green, Bristol BS16 7FE. Employees of the KNORR-BREMSE & the IFA, their families & their agents do not qualify for entry to the draw.

FAG

UNIQUE.

The simple one-box solution for a cost effective hub repair.

The FAG RIU is a repair solution for truck hubs that can last for up to one million kilometers. Pre-sealed, pre-assembled and pre-lubricated, installing the FAG RIU is simple, trouble free and considerably more cost effective than a complete hub replacement. Additionally, each individual FAG RIU can repair a wide range of different wheel hub types.

FAG RIU. A unique product from the 'Original' manufacturer.

Boosting

071745CV8 **Pro Booster 6200 12/24V**

- Boost peak rate: 6200 (12V) 3100A (24V)
- Cranking rate: 1880 (12V) 940A (24V)
- 12/24V Internal battery
- 25Ah Battery
- Digital display charge indicators
- Fast charging

ONLY
£649.99

Jump starts engines up to 550HP

Swiss Made

12 Month Battery Warranty

Cutting & Welding

057855CV8 **SIP HG400 Inverter Plasma Cutter**

- 230V (16A) Supply
- 20-40A Output current
- Output current @ 60% duty cycle: 40A
- 10mm/Severs 12mm max. cutting capacity
- Infinitely variable output power settings
- 4.4 bar Compressed air pressure
- 5.3CFM Average air consumption
- Insulation Class F, IP21S Protection
- Weight: 9.8kg

ONLY
£459.99

057735CV8 **Weldmate HG2300MP MIG/TIG/ARC Inverter Welder**

- 230V (16A) Supply
- Hi-tech inverter technology
- 30-200A MIG Output current
- 30-170A ARC Output current
- 20-200A TIG Output current
- 200A Output @ 50% duty cycle -20°C
- 200A Output @ 20% duty cycle -40°C
- Solid/flux cored wire type
- Dinse sockets
- Includes:
 - 3m MB15 MIG Torch
 - Gas hose & gas clamp
 - Chipping hammer
 - 0.6, 0.9 & 1.0mm Contact tips
 - 3m Earth cable with earth clamp
 - Hand-held face mask
 - 0.2kg 0.8mm Flux core wire
- 3-in-1 Lightweight, portable machine
- Extra low current function
- 0.6mm - 1.0mm Wire diameter
- 0.7kg-5kg Wire spool size
- Package deal: **FREE** Headshield (02884)

ONLY
£499.99

NEW PRODUCT

BSO Oil Fired Cabinet Heaters for connection to a bulk fuel tank

- Connect to a bulk fuel tank
- Use with 28 second fuel (paraffin/kerosene) or 35 second fuel (heating oil/diesel)
- 13 Models - heat outputs up to 381Kw (1.3M Btu/hr)
- Electro-zinc coated steel cabinet, inner heat shield skin, outer skin epoxy powder coat finished
- Centrifugal air circulation enhances life expectancy
- Models BSO30 to BSO85: direct drive fans, 1ph motor
- Model BSO120: 3ph motor & v-belt drive
- Combustion air inlet kit as standard
- Thermostat, time control, oil filter & fire valve
- Main fan filter kits available for dusty or hazardous places
- Extra cost: Standard Flue Kit (from £279)

91% HEATER EFFICIENCY

	Price	5 Yr Lease pw
BSO30	£2099	£11.17
BSO40	£2249	£11.96
BSO60	£2549	£13.56
BSO85	£2699	£14.36
BSO120	£3279	£17.44

FROM £2099
5 Year Lease £11.17 pw

Stainless Steel Flue Kit for BSO Models:

- Gives approx. 4.6m (15ft) ground clearance
- 3 x 1m Flue pipes
- 1 x Terminal
- 1 x Storm collar
- 2 x Adjustable wall fixing brackets
- 1 x Silicone rubber pipe flashing / fixing kit for profiled or corrugated roof & cladding
- Minimum flue requirement: 3 metres

For Model	Part No	Price
BSO30 & 40	FK5	£279
BSO60	FK6	£289
BSO85 & 120	FK7	£299

Additional 1m Flue Pipe

FROM £279

Model	Nett Heat Output	Air Flow	Swivel Heads	Consumption	Supply
BSO30	109,000 Btu/hr	2196 m ³ /hr	2	3.43 L/hr	230V
BSO40	146,440 Btu/hr	2556 m ³ /hr	2	4.67 L/hr	230V
BSO60	203,330 Btu/hr	3708 m ³ /hr	2	6.46 L/hr	230V
BSO85	280,530 Btu/hr	5004 m ³ /hr	3	9.10 L/hr	230V
BSO120	418,000 Btu/hr	7740 m ³ /hr	3	13.30 L/hr	415V

PROHEAT Oil Fired Cabinet Heater Package with Built-In Fuel Tank & Flue Kit

No space for a bulk fuel tank? PROHEAT is your solution!

91% HEATER EFFICIENCY

- Use with 28 second fuel (paraffin/kerosene) or 35 second fuel (heating oil/diesel)
- All models 240V
- Low-noise radial fan
- Large air volumes guarantee quick heating
- Equipped with thermostat
- Capacities of 30, 42, 64, 84kW net
- 4-Sided adjustable outlet opening guarantees equal air distribution
- Heat resistant steel combustion chamber & heat exchanger
- Switches & warning lights on control panel
- Summer/winter circuit for heating/ventilation

INCLUDES Stainless Steel Flue Kit for PROHEAT Models:

Gives approx. 5.2m (17ft) ground clearance

- 4 x 1m Flue pipes & 1 x Terminal
- 2 x Adjustable wall fixing brackets
- 1 x High temperature silicone rubber roof seal & fixing kit for profiled or corrugated roof & cladding
- 1 Tee-Piece (flue to heater)

	Price	5 Yr Lease pw
PROHEAT30	£1995	£10.61
PROHEAT40	£2295	£12.21
PROHEAT60	£2595	£13.80
PROHEAT80	£2895	£15.40

FROM £1995
5 Year Lease £10.61 pw

Model	Nett Heat Output	Max KW	Consumption	Air Flow	Tank Capacity

Suspended Unit Heaters

Available for heating oil, natural gas or propane fuels

- Oil Fired: heat capacities 31kW to 98kW
- Gas Fired: heat outputs 15kW to 84kW with roof or wall flue exit
- Suspend or mount (on a suitable non-combustible support)
- Four M10 suspension points provided
- Free-blowing or ducted models
- Installation service (in most areas)

Huge Range
